

BACK TO THE BENCH *Sale*

**New experiments. New discoveries.
Trusted protein solutions.**

Whether you're restarting ongoing projects or beginning a new line of investigation, ProSci is ready to help you get back to the bench with confidence.

Explore high-quality **antibodies**, **recombinant proteins**, **biosimilars**, **lysates**, and **custom antibody services** designed to support your research and keep discovery moving forward.

Antibodies

50,000+ catalog antibodies for a wide range of applications.

Recombinant Proteins

High-quality proteins for controls, assay development, and functional studies.

Biosimilars

800+ research-based biosimilars to advance therapeutic discovery.

Lysates

Western blot-ready tissue and cell lysates for reliable results.

Custom Antibody Services

Tailored solutions from antigen to validated antibody.
